

# GO AND SPECIAL TRAIN

## How Utahns Will Travel to Kansas City.

### WITH BANNERS FLYING

#### INTERMOUNTAIN STATES WILL JOIN TOGETHER.

The Democracy of the inter-mountain states will go to the Kansas City convention in grand style and with banners flying. The states of Utah, Nevada, Montana, Idaho, Wyoming and perhaps Colorado will unite and roll into the convention city on a special train over the Union Pacific railroad. This is the present plan. The committee of the Utah delegation appointed at the meeting the evening before to investigate the matter of going to the convention, concluded yesterday to go with the other states over the Union Pacific.

The committee was made up of A. H. Tarbet, A. G. Horne and J. M. Cohen. These gentlemen met yesterday morning and conferred with the officials of the different roads running out of Utah and got propositions from each. They then conferred with all the delegates and alternates that could be reached and finally decided in favor of the Union Pacific route.

By this arrangement the delegation will leave this city at 12:30 noon on July 1; they will have a lay-over of two hours and a half in Denver, and will get into Kansas City between 7 and 8 o'clock on the morning of July 3.

#### Make Up Fine Train.

It is the intention of the Union Pacific to make up a fine special train for this excursion, giving a special car to each state delegation and having a buffet, a smoker and a baggage car to be used in common. The train will be elaborately decorated and will be a credit to the intermountain region. The northern delegates will be picked up at Ogden and Granger, the Wyoming delegates will be picked up as the train passes through the state and the Coloradoans, if they join, will catch on at Denver.

The Utah delegation will have no other meeting until after the arrival at Kansas City, where a general national committee has not been discussed at any of the meetings here, but as the state convention that named the delegates voted unanimously in favor of David C. Dunbar as the national committee, no question is given either as to the preference of the delegates for chairman of the delegation.

## DEMOCRATS WILL CELEBRATE

### Grand Rally to Be Held on Independence Day.

At the meeting of the Utah Democratic club last evening, the proposed amendments to the by-laws were laid upon the table on the motion of D. C. Dunbar. Mr. Dunbar's reason for this move was, he has an opportunity for a fuller investigation of the matter. It might be necessary he thought to make a revolution in the club in order to make it fit the present situation. Mr. Letcher, the mover of the amendments, was kept from the meeting by sickness and this was another reason for laying the matter up on the table.

By a unanimous vote the club decided to co-operate with the club organization of the state of which Judge Henderson is president. For a grand celebration of July celebration, E. W. Wilson, D. C. Dunbar and John F. Howells were appointed a committee to act in concert with Judge Henderson and his committee. This was done by the club as suggested by Hearst of New York, the president of the organization, some time ago and will be on a par with similar celebrations in other states.

It will partake of the nature, too, of a ratification of the nomination of William J. Bryan, although this nomination will not occur until the following day.

The matter of organizing a marching club with linen dusters and white hats was informally discussed and met with great favor, but action was deferred until a later meeting. The committee named to secure permanent headquarters for the club, asked for an extension of time. The club voted to invite Judge Ogden Hiles to address the club on an early date on the subject of Toryism.

The club adjourned to meet again on Thursday evening, June 21.

## WANT IT NO-PARTISAN.

### Murray Takes Stand Regarding Election of Superintendent of Schools.

(Special to The Herald.)

Murray, June 7.—A meeting of prominent Republicans was held here tonight for the purpose of discussing the election of a county superintendent of schools. Nearly every school district was represented, about twenty being in attendance. George M. Cannon presided and W. H. Lyon acted as secretary. The following resolution was adopted:

"Resolved, That a committee of five be chosen by this meeting to meet with the county Republican committee to request said committee to nominate to the county Democratic committee, that non-partisan primaries be held in each school district to elect representative citizens to give the primary election to the county convention, at which shall be nominated a candidate for the office of county superintendent of district schools."

"And that if the Democratic county committee declines to join in a call for such non-partisan ticket, the chairman of the county Republican committee be instructed to take such action as may be deemed necessary with the federation to effect the closing of all stores on the Fourth of July and on all other holidays."

#### Going to Philadelphia.

Wesley K. Walton, chairman of the Republican state committee, left last night for Wyoming, from where he will go on east to attend the Republican national convention. He will start east on the 12th and will take his son with him. He expects to get the Wyoming delegates to accompany him and he will be joined in Wyoming by P. H. Lannan and Governor Wells. They will go east together on the Union Pacific. After the convention, Mr. Walton and Governor Lannan will take a trip up into Maine and spend a portion of the summer among the haunts of their early days on the sea coast.

#### The New Hotel.

The praise and commendation of discriminating traveling men is always valuable and influential. It is this class always in the majority at Don Porter's new hotel, "The Kenyon," who do not qualify or abridge the pleasant or complimentary things they have to say of this particularly "nice" new hotel.

## SCENIC CIRCLE TOUR.

By rail through Parley's canyon to Park City; thence team or bicycle to Heber and Hot Pots, and rail home through beautiful Provo canyon. Cost and go east together on the Union Pacific. After the convention, Mr. Walton and Governor Lannan will take a trip up into Maine and spend a portion of the summer among the haunts of their early days on the sea coast.

# ERIC C. SNOW'S ROMANCE ENDS IN AN ENGAGEMENT

The announcement that Le Roi C. Snow and Miss Maude M. Ford are to be married on the 29th of the present month will be a pleasant surprise to the many friends of the young people. Mr. Snow is a son of President Lorenzo Snow and well known in Salt Lake, while his bride is the accomplished daughter of John Ford, a wealthy farmer of Auburn, O.

There is a happy romance connected with the happy event. Four years ago, while on his way to Europe, Mr. Snow visited the birthplace of his father, which is at Mantua, near Philadelphia. It was at that time that he met Miss Ford, her parents having been friends of the Snow family long ago.

## HOW SHERIFF HOWELLS CAME TO LOSE HIS HORSES

Since the return of Sheriff Howells and deputies from the unsuccessful chase through naturally fortified eastern Utah for the outlaws who murdered Sheriff Tyler and Deputy Jenkins, a little bit of unwritten history has cropped out showing why the Salt Lake officers were left homeless in the wilds of the Indian reservation.

It is stated to be a fact that on the night when the posse under the captain of Sheriff Howells reached White River, the sheriff of Uintah county induced Red Moon, a well-known Indian of the reservation, to swim the sheriff's horse across the river, promising to pay the Indian the fee promised. Punishment for this breach of faith was visited upon the sheriff of Uintah county but upon the officers of Salt Lake by the Indian during the night, who ran off the horses and held them for reward.

Bright and early next morning, the sheriff of Uintah county got an Indian pony and rode to the Ouray agency to receive and send telegrams, leaving the Salt Lake officers to square things with the Indian with whom Sheriff Preece had broken faith. For a money consideration Red Moon brought the horses back, but the officers had lost valuable time.

He said that the money was quite generally signed and because he had a better offer for the
